## 103<sup>rd</sup> IAI International Educational Conference

Forensic education and professional development are the core aspects of our mission. The IAI Annual Educational Conference meets that mission by providing a full week of high quality, cutting edge education and hands-on training in forensic physical evidence examination and crime scene processing.

The IAI conference is the largest organized event in the world for education and training in the fields of Latent Print, Footwear and Tire Track, Blood Stain Pattern, Forensic Photography, Forensic Art, Facial Identification, Biometric and Crime Scene Evidence. Additionally, training opportunities include many other aspects of physical evidence fields including, but not limited to; Firearms evidence, Video evidence, Digital Photograph Processing, Chemical Processing, and Trajectory Determination.

***It is important to register early!***

Lecture highlights 2018 include:

- Important updates regarding forensic standards
- New information about evidence detection, processing and enhancement
- Professional growth discussions

- Professional growth discussions
- The latest research regarding examiner studies
- Crime Scene Lectures that provide important lessons from past investigations
- Updates about 3D imaging technology

Workshop highlights 2018 include:

- Latent Print comparison workshops including palm and foot friction ridges, pattern interpretation and distortion.
- Certification Preparation workshops for Latent Print and Crime Scene tests.
- Enhancement workshops for blood stain, latent prints, impressions on skin and footwear.
- Wide variety of photography workshops specializing in crime scene, low light, photographing luminescence and night photography.
- NEW Crime Scene Series that will provide overall crime scene processing practice as well as workshops in specific areas of collection; choose what you want from the CSIS workshop menu.

Lectures are included in the conference registration, however, workshops must be registered for in advance and have limited space. To keep overall conference costs low, workshops are an added cost to those that wish to experience techniques and skills first hand with our experienced and professional instructors. Please visit the agenda page to select the workshops you are interested in and register as soon as possible to ensure your spot!

We look forward to seeing YOU in San Antonio!

## Welcome to San Antonio

Places that inspire you – live deep in the heart.

Deep in the heart of Texas, San Antonio's bold spirit and historic legacies make it an ideal gateway to the region's culture, scenic beauty and restful retreats.

San Antonio is rooted in its past, but forever mindful of its future. Through preserving its past and preserving as one of the nation's largest cities, San Antonio has become one of America's most authentic destinations.

There are few places more magical than San Antonio's River Walk – a verdant oasis of cypress-lined paved paths, arched stone bridges and lush landscapes. It gently winds through the city center, providing millions of visitors each year with easy access to the city's cultural hot spots, historic sites, restaurants, shops and other attractions including the historic Alamo.

All events and educational sessions will be held at the Henry B. Gonzalez Convention Center and the Grand Hyatt San Antonio Hotel.
