The work you'll do is more than just a job.

At the State of Minnesota, employees play a critical role in developing policies, providing essential services, and working to improve the well-being and quality of life for all Minnesotans. The State of Minnesota is committed to equity and inclusion, and invests in employees by providing benefits, support resources, and training and development opportunities.

Job Summary

This position is telework eligible upon completion of training up to two (2) days per week.

This announcement will be used to fill one vacant position at either the Trainee-Forensic Scientist 1 or Forensic Scientist 2 level in the Firearms and Toolmarks Unit of the Impressions and Materials Section of the BCA Forensic Science Services in St. Paul, Minnesota.

This posting will result in hiring into the following job classifications. The classification level of the position is based on the selected applicant's qualifications and responses to the interview questions.

- Trainee - Forensic Scientist 1, salary \$23.94 hourly
- Forensic Scientist 2, salary range \$32.71-\$48.51/hourly: \$68,298-\$101,289/annually

This full-time position will provide evaluation, examination, analysis, and data interpretation for evidence collected from criminal investigations to inform and support the criminal justice system. These activities will be conducted within the firearms and toolmarks discipline which is part of the Impressions and Materials Section of the MN Bureau of Criminal Apprehension Forensic Science Services. They include the use of a variety of techniques to visualize, evaluate and compare firearms, bullets, and cartridge cases items of evidence submitted by law enforcement agencies as well as the utilization of applicable databases. These activities will be conducted in adherence to the agency policies and procedures in a manner that embodies the mission, vision, and values of the MN BCA. This position will also participate in the training, evaluation, continuing education, and quality assurance activities needed for the delivery of accurate and reliable results to agency stakeholders, including expert witness testimony. Following successful completion of the necessary training programs and establishment within the firearms and toolmarks discipline, this position may be eligible to participate in the crime scene processing training series for inclusion in the Crime Scene Response Program.

Additional information for the Trainee – Forensic Scientist 1 classification:

The duration of the training program will not exceed one year with a set salary of \$23.94/hr. Professional level experience in a laboratory or advanced level degrees may lessen the length of this time period, but satisfactory performance will govern when the trainee is appointed as a Forensic Scientist 1.

Training will be in the firearms and toolmarks discipline of the MN BCA Forensic Science Services and persons hired as a Forensic Scientist Trainee will typically be trained in topics including but not limited to:

1. Foundation and application of forensic procedures pertinent to the forensic discipline in which the trainee is employed
2. Data analysis and interpretation
3. Courtroom testimony
4. Quality assurance as it pertains to forensic science
5. Chain of custody, evidence handling, examination, and documentation
6. Criminal court procedures and practices with special reference to rules of evidence.

Trainees will work with experienced scientists within the applicable section and throughout the BCA FSS during the training program.

Upon successful performance at the Trainee-Forensic Scientist 1 classification (maximum of one year) the employee will be appointed to the position of Forensic Scientist 1 and compensated within the salary range of \$28.50-\$41.93/hourly: \$59,508-\$87,550/annually. There will be a six-month probationary period.

Minimum Qualifications

Trainee - Forensic Scientist 1

1. A Bachelor's or advanced degree in a physical or life science such as biology, chemistry, biochemistry, physics, forensic science or equivalent. *Unofficial college transcripts must be submitted with application. Current students who are within six (6) months of graduating with a bachelor's degree are encouraged to apply. Contingent offers may be made upon successful completion of degree.
2. Excellent oral and written communication skills.
3. Ability to work with a diverse clientele.

***NOTE: ALL APPLICANTS MUST SUBMIT AN UNOFFICIAL COLLEGE TRANSCRIPT(S) ALONG WITH THEIR RESUME. YOU CAN ATTACH A RESUME AND A SECOND ATTACHMENT WITH YOUR TRANSCRIPTS AS A COVER LETTER OR COMBINE THE DOCUMENTS AS A SINGLE ATTACHMENT. PLEASE UPLOAD IN THE COVER LETTER SECTION OF THE ONLINE APPLICATION IN EITHER PDF OR DOCX FORMAT.**

Forensic Scientist 2

1. A Bachelor's or advanced degree in a physical or life science such as biology, chemistry, biochemistry, physics, forensic science or equivalent. *Unofficial college transcripts must be submitted with application. Current students who are within six (6) months of graduating with a bachelor's degree are encouraged to apply. Contingent offers may be made upon successful completion of degree.
2. Two years full-time professional level experience as a Firearm and Toolmark Examiner in a forensic laboratory.
3. Experience testifying in a court of law as an expert witness in forensic firearms and toolmarks analysis.
4. Excellent oral and written communication skills.
5. Ability to work with a diverse clientele.

*NOTE: ALL APPLICANTS MUST SUBMIT AN UNOFFICIAL COLLEGE TRANSCRIPT(S) ALONG WITH THEIR RESUME. YOU CAN ATTACH A RESUME AND A SECOND ATTACHMENT WITH YOUR TRANSCRIPTS AS A COVER LETTER OR COMBINE THE DOCUMENTS AS A SINGLE ATTACHMENT. PLEASE UPLOAD IN THE COVER LETTER SECTION OF THE ONLINE APPLICATION IN EITHER PDF OR DOCX FORMAT.

Preferred Qualifications

Trainee - Forensic Scientist 1

1. A Master's degree or Ph.D. in a physical or life science such as biology, chemistry, biochemistry, physics, forensic science or equivalent.

About Public Safety Dept

The Minnesota Department of Public Safety (DPS) is a diverse, complex agency dedicated to serving communities across the state. DPS has 10 public facing and four support divisions with about 2,200 dedicated employees operating programs statewide that all have one goal: Building a safer Minnesota.

Working together to improve the state we love.

What do Minnesota's State employees have in common?

- A sense of purpose in their work
- Connection with their coworkers and communities
- Opportunities for personal and professional growth

Benefits

As an employee, you'll have access to one of the most affordable health insurance plans in Minnesota, along with other benefits to help you and your family be well.

Your benefits may include:

- Paid vacation and sick leave
- 12 paid holidays each year
- Low-cost medical, dental, vision, and prescription drug plans
 - Fertility care, including IVF
 - Diabetes care
 - Dental and orthodontic care for adults and children
- 6 weeks paid leave for parents of newborn or newly adopted children
- Pension plan that provides income when you retire (after working at least three years)
- Employer paid life insurance to provide support for your family in the event of death
- Short-term and long-term disability insurance that can provide income if you are unable to work due to illness or injury

- Tax-free expense accounts for health, dental, and dependent care
- Resources that provide support and promote physical, emotional, social, and financial well-being

Support to help you reach your career goals:

- Training, classes, and professional development
- Federal Public Service Loan Forgiveness Program (Some positions may qualify for the Public Service Loan Forgiveness Program. For more information, visit the Federal Student Aid website at studentaid.gov)

Employee Assistance Program (EAP) for work/life support:

- A voluntary confidential program that helps employees and their families with life challenges that may impact overall health, personal well-being, or job performance
- Common sources of stress can be addressed through the EAP: mental health, relationship challenges (personal and work), grief and loss, finances, and legal issues
- Daily Living/Convenience Services: Chore services, home repair, trip planning, child/elder care

Programs, resources and benefits eligibility varies based on type of employment, agency, funding availability, union/collective bargaining agreement, location, and length of service with the State of Minnesota.

EQUAL OPPORTUNITY EMPLOYERS

Minnesota state agencies are equal opportunity, affirmative action, and veteran-friendly employers. State agencies are committed to creating a workforce that reflects the diversity of the state and strongly encourages persons of color and Indigenous communities, members of the LGBTQIA2S+ community, individuals with disabilities, women, and veterans to apply. The varied experiences and perspectives of employees strengthen the work we do together and our ability to best serve Minnesotans.

All qualified applicants will receive consideration for employment without regard to race, color, creed, religion, national origin, sex (including pregnancy, childbirth, and disabilities related to pregnancy or childbirth), gender identity, gender expression, marital status, familial status, age, sexual orientation, status regarding public assistance, disability, veteran status or activity in a local Human Rights Commission or any other characteristic protected by law.

APPLICANTS WITH DISABILITIES

Minnesota state agencies make reasonable accommodations to their employees and applicants with disabilities. If you have a disability and need assistance in searching or applying for jobs with the State of Minnesota, call the job information line at [651-259-3637](tel:651-259-3637) or email careers@state.mn.us and let us know the support you need. For accommodations or questions about accessibility specifically relating to this job announcement, please email the Affirmative Action Division at angela.geraghty@state.mn.us or call [651-201-7136](tel:651-201-7136).
